

TOWN OF BRENTWOOD

Annual Town and School District Reports

For the year ending December 31, 2010

Brentwood Town Report Dedication
2010

This year's Town Report is dedicated to one of Brentwood's longest serving public official: Bruce Stevens, who has served for 33 years and counting.

Bruce Stevens was born and raised in Brentwood. He grew up on the family's dairy farm on South Road and currently resides a stone's throw away from the original homestead. Bruce was elected as one of this town's youngest Selectmen in 1978 when he was in his early 20's. Bruce served on the Board of Selectmen for 6 years, through 1983, and then was appointed to the Planning Board in 1984. He has served on the Planning Board ever since; the past 10 years as Chairman.

During his time on the Planning Board, Bruce spearheaded the adoption of the Town Center District, played a pivotal role in the 1991 zoning recodification which resulted in the protection of our natural resources with the development of Shoreland Protection and Aquifer Districts, and was involved in the rezoning of commercial property. In addition, he played an important role on the Open Space Committee working as a liaison between the committee and property owners and on the Industrial Committee with its efforts to bring a stronger commercial base to the town.

Bruce's history of the town has been invaluable to the Planning Board. His sense of humor and practical, down-to-earth approach as chairman puts applicants, abutters and other Board members at ease and makes everyone involved feel more comfortable.

Thank you Bruce for your 30+ years of service! Brentwood is fortunate to have such a dedicated, knowledgeable individual serving our Town!

REPORT OF THE BOARD OF SELECTMEN

With 2010 having come to a close, we reflect back to a couple of the most noteworthy events that affected the Town of Brentwood during the year.

The first, of course, is the construction of the new fire station. As you all can see, it is a beautiful building, extremely functional and will meet the needs of this town for years and years to come! We hope you will all take the opportunity to take a tour when the Fire Department has their Open House this spring. We would like to thank all of the volunteers who were involved in the research, design and construction of the new station. Some individuals volunteered countless hours overseeing this project to make sure the fire department and the townspeople would get a building they could be proud of.

We can not, however, discuss the fire station without touching upon some of the controversy that has come about during its construction. As some of you are aware, a couple of issues surfaced during construction that were brought to our attention in October. We want to explain these issues and the agreed upon solutions in order to squelch any rumors of overspending or illegal action. We will do this in a question and answer format based on the feedback our office has heard from residents.

Q: Did the Town have to add a sprinkler system that it wasn't aware it needed?

A: No, the building was equipped with a sprinkler system as specified in the original plans. What the town did have to add, it later discovered, is a "tie-in" of the sprinkler system to the generator.

Q: Was this "tie-in" an added expense to the project?

A: Yes, it was an additional expense of approximately \$71,000: \$56,000 to be picked up by the Town, the remainder to be paid by Ricci Construction. However, this \$56,000 was covered without overspending our warrant article. The warrant article authorized the issuance of \$1,657,700 of bonds. The contract price was \$1,527,037. This left a "contingency fund" of over \$130,600 for site work, furniture and miscellaneous expenditures. \$26,000 of the \$56,000 was paid from this "contingency fund" and the remaining \$30,000 was voted by this Board to come from the 2010 operating budget. We had budgeted \$30,000 in the Tax Anticipation Note line in case a note was needed or there was a need for an unplanned expenditure. When it was evident it would not be needed, the Board voted, as it legally can, to move the \$30,000 to the Fire Department Building Repairs & Maintenance line.

Q: Is the new fire station going to house the emergency operation center?

A: Yes, the new fire station will house an emergency operation center. It was discovered late in construction that a new National Electric Code Article (708) was established in the fall of 2008 which would require provisions be made to the installation, operation, monitoring, control and maintenance of the portions of the premises wiring system intended to supply, distribute, and control electricity to designated critical operations areas in the event of disruption to the normal system. The additional expense associated with making the necessary changes to comply with NEC 708 would have been

approximately \$300,000. After consulting with an engineering firm that specializes in fire related issues, this Board agreed with their recommendation of creating dual EOCs: one to be located at the new fire station and one to be located at the Police Department. This solution allowed us to maintain the EOC at the fire station without having to ask the taxpayers to come up with an additional \$300,000: a win/win situation.

Q: Is the contractor at fault for the oversight of the two items referenced above and should they be held financially responsible for correcting them?

A: The contractor actually brought the issue of the sprinkler tie-in to the attention of fire department personnel back in June. Since the sprinkler code allows for a sprinkler pump to be exempt from back-up power if it is determined that the power company has "reliable service" and the fire department has exempted some businesses along Pine Rd and Rte 125 based on the fact that these locations are considered a reliable power source by PSNH, they elected not to proceed with the upgrade. The State Fire Marshall's office later overruled the fire department's decision and required that the sprinkler system be tied-in to the generator in order to receive an occupancy permit. Ricci Construction did pick up some of the expense associated with the "tie-in". Regarding NEC 708, neither Ricci Construction, nor our Fire Inspector was aware of it. In consulting with legal counsel regarding Ricci Construction being contractually obligated to pay for the NEC 708 upgrades, we were informed that we could not require them to pay for something that was not in the original plan that they were awarded the bid for.

We hope that these questions and answers will clear the air on the issues related to the fire station and we can move on and let the fire department settle in to their new "home".

The second item we thought we should take a moment to address is the substantial increase in the tax rate. We provided an explanation for the increase in the Brentwood Newsletter and a copy of the article is available on the Town's website. We are not going to repeat all of that here but what we want to do is assure you that we realize what a hardship this increase has created for many of our residents. While we, as a Board, have no control over the School, County or State School portion of you tax bill we did work diligently to present a level-funded town operating budget for 2011, even with the addition of the fire station bond payment and increase in retirement expenses.

We, as a Board, had to make some very difficult decisions in order to keep the 2011 budget level, the most difficult of which was to impose salary freezes for our town employees. They are a hard-working, dedicated group of individuals who demonstrate daily their commitment to the Town and its residents. We hope you will join us in thanking them for a job well done!

Respectfully Submitted,

*Kevin Johnston
Andrew Artimovich
Jane Byrne*

*David Menter
Jeffrey Bryan*

The State of New Hampshire

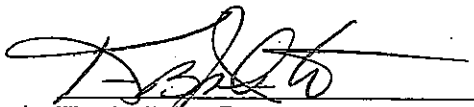

To the Inhabitants of the Town of Brentwood in the County of Rockingham in said State,
qualified to vote in Town affairs:

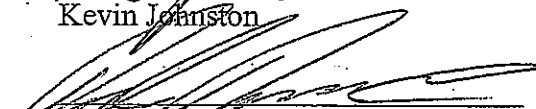

You are hereby notified to meet at the Brentwood Community Center in said Brentwood
on Tuesday, the 8th of March, 2011 at 8:00 of the clock in the forenoon, to act upon the
following:

1. To choose all necessary town officers for the year ensuing.
2. To vote on proposed changes/additions to the Brentwood Zoning and Land
Use Ordinances. (A copy of the proposed changes is posted at the Town
Office Building)

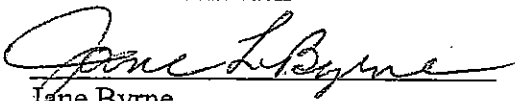

Given by our hands and seal this 15th day of February, in the year of Our Lord Two
Thousand and Eleven.

We hereby certify that we gave notice to the inhabitants within named, to meet at the
time and place and for the purpose within mentioned, by posting up an attested copy of
the within warrant at the place of meeting within named, and like attested copies at the
Town Office Building, being a public place in said Town on the 17th day of February,
2011.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Brentwood in the County of Rockingham in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Swasey Central School in said Brentwood on Saturday, March 12, 2011 at 9:00 a.m. to vote on the following subjects:

1. Recommended by the Selectmen by unanimous vote.
Recommended by the Budget Committee by unanimous vote.

To see if the Town will vote to raise and appropriate One Thousand Dollars (\$1,000) to provide funding to SeaCare Health Services. (Majority vote required).

2. To see if the Town will vote to extend the expiration date of the \$2,000,000 original bonding authority (\$1,716,151 of which has already been expended) granted to the Selectmen for the purpose of acquiring conservation land via Article 1 at the March 13, 2003 annual town meeting, to the conclusion of the fiscal year 2013. (The bonding authority had previously been extended from December 31, 2007 to December 31, 2009 and from December 31, 2009 to December 31, 2011). (Majority vote required).

3. Recommended by the Selectmen by unanimous vote.
Recommended by the Budget Committee by unanimous vote.

To see if the Town will vote to raise and appropriate the sum of Two Million Seven Hundred Nineteen Thousand Three Hundred and Forty-Four Dollars (\$2,719,344) for general municipal operations.
This article does not include special or individual articles addressed.

4. Recommended by the Selectmen by unanimous vote.
Recommended by the Budget Committee by unanimous vote.

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to be added to the existing Capital Reserve Fund for the repair of town bridges. (Majority vote required).

5. Recommended by the Selectmen by unanimous vote.
Recommended by the Budget Committee by unanimous vote.

To see if the Town will vote to repair roads and to raise and appropriate the sum of Two Hundred Fifty Thousand Dollars (\$250,000) for this purpose. (Majority vote required).

6. Recommended by the Selectmen by unanimous vote.
Recommended by the Budget Committee by unanimous vote.

To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be added to the existing Capital Reserve Fund for the purchase of highway vehicles and related equipment. (Majority vote required).

7. Recommended by the Selectmen by unanimous vote.
Recommended by the Budget Committee by unanimous vote.

To see if the Town will vote to fund a mosquito control program and to raise and appropriate the sum of Thirty Thousand Five Hundred Dollars (\$30,500) for this purpose. (Majority vote required).

8. Recommended by the Selectmen by unanimous vote.
Recommended by the Budget Committee by unanimous vote.

To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be added to the existing Capital Reserve Fund for the replacement of fire and rescue vehicles. (Majority vote required).

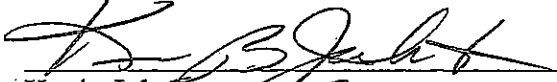

9. To see if the Town will vote to establish a program for stand-by pay for Fire Department licensed ambulance attendants on a 9-month trial-basis beginning April 1, 2011, for an aggregate total not to exceed Twenty Five Thousand Eight Hundred Thirty-Six Dollars (\$25,836) and to pay such costs out of the Ambulance Services revolving account created in 2006 by Warrant Article #13 with the Selectmen named as agents. (Majority vote required).

10. Not recommended by the Selectmen by unanimous vote.
Not recommended by the Budget Committee by unanimous vote.

To see if the Town will vote to reimburse the Town of Exeter for work done on the portion of Pine Road located in the Town of Exeter in order to bring it to industrial standard and to raise and appropriate the sum of Fourteen Thousand Three Hundred Fifty Nine Dollars (\$14,359) for this purpose. (Majority vote required).

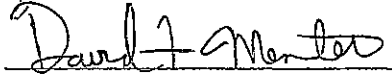

11. To hear reports and recommendations of all committees and to take any action.
12. To transact any other business that may legally come before the Town.

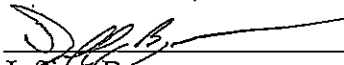

Given under our hands and seal this 15th day of February, Two Thousand Eleven.

Report of Town Meeting

March 13, 2010

At a legal meeting of the inhabitants of the Town of Brentwood in the County of Rockingham, State of New Hampshire, qualified to vote in town affairs, held at Swasey Central School on Saturday March 13, 2010 at 9:00AM the following business was conducted:

Moderator Richard Chamberlain called the meeting to order at 9:15AM allowing all the voters to enter the hall. Pledge of allegiance was led by Cub Scouts Pack 192, Sam Cadwell, Nicholas Garey ,and Jack Lacewicz (Tiger Scouts)Johan Ryan ,Andre Denman, Sawyer Lacewicz, Luke Stephens, Noah Ryan, Tom Keenan, and Ryan Diaz.

Moderator Richard Chamberlain introduced the head table and recognized Linda Rousseau to whom the town report was dedicated. David Menter presented a bouquet of flowers from the Selectmen to Phyllis Thompson for her 30 years as Town Clerk.

A motion was made by Jane Byrne and duly seconded to waive the reading of the warrant. Motion passed by voice vote.

Article #1. A motion was made by Kim Lord and duly seconded to see if the Town will vote to raise and appropriate the sum of One Million Six Hundred Fifty-Seven Thousand Seven Hundred Dollars (\$1,657,700) for the purpose of constructing a new fire station and to authorize the issuance of \$1,657,700 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. After everyone spoke the Moderator declared the polls open at 10:00AM and will remain open for one hour.

Article #2. A motion was made by David Menter and duly seconded to see if the Town will vote to raise and appropriate One Thousand Five Hundred Dollars (\$1500) to provide funding to Lamprey Health Care. Motion passed by voice vote.

Article #3. A motion was made by Jane Byrne and duly seconded to see if the Town will vote to raise and appropriate One Thousand Dollars (\$1000) to provide funding to SeaCare Health Services. Marianne O'Leary spoke on the services provided by SeaCare Health. Motion passed by voice vote.

Article #4. A motion was made by Andy Artimovich and duly seconded to see if the Town will vote to raise and appropriate the Budget Committee recommended sum of Two Million Seven Hundred Nineteen Thousand Three Hundred and Forty-Four Dollars (\$2,719,344) for general municipal operations. The Board of Selectmen recommends Two Million Seven Hundred Twenty Three Thousand Three Hundred and Forty-Four Dollars (\$2,723,344). This article does not include special or individual articles addressed. Motion passed by voice vote.

Article #5 A motion was made by Jeff Bryan and duly seconded to see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to be added to the existing Capital Reserve Fund for the repair of town bridges. Motion passed by voice vote.

Article#6. A motion was made by David Menter and duly seconded to see if the Town will vote to repair roads and to raise and appropriate the sum of Two hundred Fifty Thousand Dollars (\$250,000) for this purpose. Motion passed by voice vote.

Article # 7. A motion was made by Jane Byrne and duly seconded to see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be added to the existing Capital Reserve Fund for the purchase of highway vehicles and related equipment. Motion passed by voice vote.

Article #8. A motion was made by Andy Artimovich and duly seconded to see if the Town will vote to fund a mosquito control program and to raise and appropriate the sum of Thirty Thousand Five Hundred Dollars (\$30,500) for this purpose. Motion passed by voice vote.

Article # 9. A motion was made by Jeff Bryan and duly seconded to table Article# 9 until vote reported on Article #1.

Article # 10. A motion was made by David Menter and duly seconded to see if the Town will vote to authorize the Fire Chief to send apparatus out of town and receive fire apparatus from other towns for the purpose of extinguishing a fire, rendering other emergency assistance or performing any detail as requested in accordance with the provisions of New Hampshire Revised Statutes Annotated, Chapter 154 as amended. Motion passed by voice vote.

Article # 11. A motion was made by Jane Byrne and duly seconded to see if the Town will vote to discontinue the following funds which have Zero-balances:

Master Plan Expendable Trust Fund established in 1993

Capital Reserve Fund for Pickpocket Falls/Cross Bridge created in 2001

Motion passed by voice vote.

Article # 12. A motion was made by Richard Calantonio and duly seconded to see if the Town will vote to approve the following resolution to be forwarded to our State Representative(s), our State Senator, the Speaker of the House, and the Senate President. Resolved: The citizens of New Hampshire should be allowed to vote on an amendment to the New Hampshire Constitution that defines "marriage ". Much discussion followed and a motion was made by Mark Wilson and duly seconded to close debate. Motion to close debate passed by voice vote. Main motion failed by voice vote.

Article #13. A motion was made by Elyse Seeley and duly seconded to see if the Town of Brentwood will vote to accept as Town Roads and assume maintenance of the roads that make up Windsor Meadows Condo Association-Abbey Road and Windsor Lane- as designated on plan #D-28824. An amendment was made by Thomas King and duly seconded to: Amend the article by adding the following: All costs related to the Town's acceptance of said roadway shall be borne by the Windsor Meadow Homeowner's Assn. Fees shall include the setting of the boundary markers with certification, two complete sets of as-built plans, the drafting of the deed, recording expenses, inspection, installation of stop signs and any other related fees in accordance with Brentwood's land use regulations. Amendment passed by voice vote.

Main motion as amended passed by voice vote.

Article #1. Moderator Richard Chamberlain declared the polls closed on Article #1 and the results of the voting were read; Yes 326 No 60 Article #1 passed.

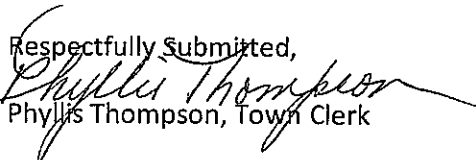

A motion was made by Elyse Seeley and duly seconded to restrict reconsideration of Article #1. Motion passed by voice vote.

Article #14. A motion was made by Dan Musso and duly seconded to see if the Citizens of Brentwood will vote to classify the Crawley Falls Bridge as an Historic Site. Motion was made by Jane Byrne and duly seconded to give permission to Walter Mitchell Town attorney to speak. Motion passed by voice vote. A motion was made by Jim Johnson and duly seconded to close debate. Motion to close debate passed by voice vote. Main motion failed by voice vote.

Article #15. A motion was made by Jeff Bryan and duly seconded to hear reports and recommendations of all committees and to take any action. No motions were made.

Article #16. Fire Chief Kevin Lemoine thanked all the voters who came out to vote for the fire station, and the Selectmen. Kevin invited everyone to an open house in the spring. Malcom Allison made a suggestion that the Fire Department look at sharing equipment with other towns. Albert Belanger made a motion to adjourn the meeting in Linda Rousseau and Phyllis Thompson's honor. A motion to adjourn at 11:45AM was made by Jon Ellis and duly seconded to adjourn. Motion passed by voice to adjourn.

Respectfully Submitted,

Phyllis Thompson, Town Clerk

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Brentwood
Brentwood, New Hampshire

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Brentwood as of and for the fiscal year ended December 31, 2009, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

As discussed in Note 13 to the financial statements, management has not disclosed the long-term costs of retirement health care and obligations for other postemployment benefits in governmental activities. Accounting principles generally accepted in the United States of America require that those costs be recorded, which would increase the liabilities and expenses of the governmental activities. The amount by which this departure would affect the liabilities, net assets and expenses of the governmental activities is not reasonably determinable.

In our opinion, because of the effects of the matters discussed in the preceding paragraph, the financial statements referred to previously do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the governmental activities of the Town of Brentwood as of December 31, 2009, or the changes in financial position thereof for the year then ended.

In addition, in our opinion, the financial statements referred to previously present fairly, in all material respects, the respective financial position of the major fund, and the aggregate remaining fund information of the Town of Brentwood as of December 31, 2009, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The budgetary comparison information is not a required part of the basic financial statements, but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

The Town of Brentwood has not presented a management's discussion and analysis that accounting principles generally accepted in the United States of America have determined is necessary to supplement, although not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Brentwood's financial statements as a whole. The combining and individual nonmajor fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Mary E. Bartlett Memorial Library

The Trustees and the staff of the Mary E. Bartlett Library endorse the following statement by the American Library Association:

Libraries in America are cornerstones of the communities they serve. Free access to the books, ideas, resources, and information in America's libraries is imperative for education, employment, enjoyment, and self-government.

Libraries are a legacy to each generation, offering the heritage of the past and the promise of the future. To ensure that libraries flourish and have the freedom to promote and protect the public good in the 21st century, we believe certain principles must be guaranteed.

To that end, we affirm this contract with the people we serve:

- We defend the constitutional rights of all individuals, including children and teenagers, to use the library's resources and services;
- We value our nation's diversity and strive to reflect that diversity by providing a full spectrum of resources and services to the communities we serve;
- We affirm the responsibility and the right of all parents and guardians to guide their own children's use of the library and its resources and services;
- We connect people and ideas by helping each person select from and effectively use the library's resources;
- We protect each individual's privacy and confidentiality in the use of library resources and services;
- We protect the rights of individuals to express their opinions about library resources and services;
- We celebrate and preserve our democratic society by making available the widest possible range of viewpoints, opinions and ideas, so that all individuals have the opportunity to become lifelong learners - informed, literate, educated, and culturally enriched.

Change is constant, but these principles transcend change and endure in a dynamic technological, social, and political environment.

By embracing these principles, libraries in the United States can contribute to a future that values and protects freedom of speech in a world that celebrates both our similarities and our differences, respects individuals and their beliefs, and holds all persons truly equal and free.

Adopted by the Council of the American Library Association, February 3, 1999

Thanks to the constant support of the townspeople of Brentwood, and most especially the Friends of the Library and our generous Benefactor, we feel that we have been able to provide our patrons with a wide range of excellent materials and programs, guaranteeing the reality that our resources and services are of fundamental value to the community.

The Friends and the Benefactor, as usual, provided a number of fine programs for both adults and children. The Friends purchased die cuts for reading group projects, many terrific children's books, colorful book buns for the Children's Room and passes to a number of museums.

When we look at our lovely building, the enthusiastic support we are fortunate to enjoy and the continuing growth of our usage, we feel that we are in a good place in the community of Brentwood.

REPORT OF THE PLANNING BOARD 2010

Honorable Board of Selectmen
Citizens of Brentwood

With the assistance of the Rockingham Planning Commission, the Planning Board continues their work on Brentwood's Master Plan, and is currently finalizing the Open Space Chapter. The purpose of this chapter was to identify critical resources, and agricultural, open and undeveloped land in Brentwood, and to select and prioritize those lands that should be excluded from residential, commercial and industrial growth. In doing so, the Town will sustain the ecosystem services provided by its resource base and maintain the rural character envisioned in the Brentwood's Natural Resources Inventory and Master Plan.

At the March 2010 polls voters passed Brentwood's Workforce Housing Ordinance, to be in compliance with New Hampshire Senate Bill 342. The Planning Board received its first subdivision application under this ordinance for a 24 lot, individually owned single family homes. Of the 24 lots, 10 will meet the terms of the new ordinance and the 14 remaining homes will be conventional.

Workforce housing should not be confused with low income housing. Workforce housing is defined as affordable housing for both lower and middle class wage earners, and in our community an annual income for a family of four shall not exceed \$81,600 to qualify. All 24 homes in this development will be priced between \$229,000 and \$279,000, for the median income wage earner.

Applications reviewed by the Planning Board this past year include 4 site plan reviews for commercial development, 3 lot line adjustments, 2 design reviews for residential development, a 3 lot residential subdivision and a 24 lot workforce housing subdivision. This emergence of even a relatively small economic recovery will undoubtedly encourage new development proposals.

The Planning Board would like to invite interested residents to consider joining our Board as appointed alternate members. We generally have 3 open positions and there is no previous experience required; we are a group with diverse backgrounds and work experience.

We continually work to meet the needs and goals of Brentwood, as allowed by the zoning, subdivision and site plan review regulations adopted by the Town and Board respectively. We meet on the first and third Thursday of the month at 7:00, our meetings are always open to the public, and we encourage residents to attend.

Respectfully Submitted on behalf of the Planning Board,
Bruce Stevens, Chairman

Report of the Brentwood Fire Department

Board of Selectmen
Citizens of Brentwood

For the year 2010 the department responded to 236 fire emergencies, 286 medical emergencies and 332 service calls for a total of 854 responses for service.

The new pumper/tanker that was approved in 2009 arrived in early July and was put into service in August. This new truck is a great asset to the department, carrying large amounts of water, equipment and up to 5 firefighters.

In May construction was started on the new fire station which was approved at the 2010 town meeting. The Fire Department officially moved in and started operating out of the new station at 419 Middle Road on January 9, 2011. As we are still in the process of unpacking and organizing the station the open house will be scheduled for later this spring, in May. Working in a new modern building with the larger apparatus bays is a pleasure and so much more efficient.

Once again, myself and staff wish to thank the residents of Brentwood for supporting the fire department and building the Town's new fire station.

The Toys for Tots program was once again available to families in need. Our members continue to do a great job with this program.

The fire department is in need of new active members in both fire and EMS duties. If you have the time and desire to help others, stop in and learn more about joining the fire department, or call the station at 642-8132

I wish to thank all members of the department, the Firemen's Association and the Ladies Auxiliary for their dedicated work and support

Respectfully Submitted

Kevin Lemoine
Fire Chief

REPORT OF THE CHIEF OF POLICE 2010

To the Brentwood Board of Selectmen and the Citizens/Tax Payers of the Town of Brentwood, NH:

**It is the mission of the Brentwood Police Department to protect life and property.
To maintain order by enforcing the local, state and federal laws in a fair and
impartial manner while improving the quality of life of our community.**

If you observe a crime or you are a victim of a crime please report it immediately.
Dial 911 if you feel it is an emergency situation or **679-2225**. The **NON-EMERGENCY**
direct phone number is 642-8817.

The Police Department continues to serve the community 24 hours a day 7 days a week with its current staffing of five full-time officers, five part-time officers, an Administrative Assistant, and a contractual Police Prosecutor. In May Officer Artimovitch resigned from his position and the part time position was filled with Officer Christopher Rothwell. In accordance with Council Rule POL 403.01 (2) all officers received eight hours of in-service training in subjects other than firearms, intermediate impact weapons defensive tactic and first aid/CPR.

With economic strains crime is on the increase and I encourage all residents who plan on vacationing outside the area to take a moment and complete a vacant house check form. This action will allow us to check on your home routinely 24 hours a day to ensure your property is protected in your absence. To do this you need only to fill out a Property Check Form. You may access the form on-line or at www.brentwoodnh.gov or by calling the Police Department directly.

The Police Department does not require you to register your present alarm or a newly installed alarm system, however there is a voluntary alarm form that can be filled out to assist the officer(s) that are responding with current contact information provided by you and what type of action to take if a problem is found. To obtain a form contact the Police Department directly.

To keep updated on departmental business, current emergencies, traffic reports, road closures, and general town information, please subscribe to the Police Department on Twitter. We can be found at [@BrentwoodPD](https://twitter.com/BrentwoodPD)

To anonymously report a crime or a tip, contact the Police Department directly or access the Report a Tip Form on-line.

In 2010 the Department received 5,453 calls for service resulting in 88 arrests, 275 incidents, and 65 motor vehicle crashes.

A new Ford Taurus was purchased to replace the outgoing Crown Victoria police cruiser.

A total of \$1865.10 went into the General Fund to help defray the costs incurred by various town agencies. Please refer to the Selectmen's report of "Detail Revenues" deposited into the Detail Revolving Fund Account established in 2009.

I would like to take this opportunity to thank the Board of Selectmen, the Fire Department and Lady's Auxiliary, other town departments, volunteers, and residents of Brentwood that assisted the Police Department during 2010. Thank you to my staff for their continued support and commitment to professionalism and excellence in keeping the Town of Brentwood safe and protected.

Respectfully Submitted,

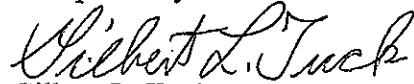

Wayne M. Robinson
Chief of Police

REPORT OF THE BUILDING INSPECTOR

A total of 99 Building Permits we issued in 2010. The following is a breakdown of the permits issued and the estimated value.

New Dwellings	8	\$1,778,953.00
Additions	11	340,748.00
Commercial Buildings	7	402,400.00
Garages, Barns & Sheds	15	150,400.00
Finished Basements	8	144,484.00
Screen Porches & Decks	6	63,000.00
Electrical Upgrades	6	5,450.00
Remodel Kitchen & Bath	3	129,900.00
In Ground Pools	5	118,300.00
Emergency Generators	19	91,306.00
Signs	4	12,499.00
Renewals	4	100.00
Miscellaneous	3	32,500.00
	<hr/> 99	<hr/> \$3,270,040.00

Respectfully Submitted

Gilbert L. Tuck
Building Inspector

Brentwood Highway Department
Report for 2010

Board of Selectmen
Citizens of Brentwood

This year we had a 1" bituminous concrete surface constructed on Crawley Falls Road from the Kingston line to South Road and from South Road to Rt. 111A.

We reclaimed North Road from Rt. 125 to the Fremont line and then paved and fixed the ditches and made the road 22 feet in width with a one foot minimum gravel shoulder on both sides.

We also had a 1 ½" bituminous concrete leveling course put in at the cul-de-sac at Block Drive.

The intersection of Rt. 111A and Bartlett Rd was fixed by constructing a 1 ¼" bituminous concrete overlay.

Michael Bennett Road was reclaimed and paved with a 2" bituminous concrete binder course and a 1" concrete surface and we put in a 2 foot gravel shoulder.

During the year we have been collecting metal items that people are discarding and have taken them to the salvage yard to redeem for cash. The total amount returned to the town is \$2,294.64.

We have a wood chip pile and a mulch pile that is available for residents to use at their homes. We also have an area for residents to bring their brush for disposal and we have a container to hold unwanted household items.

This year we had to replace one of our 6 wheel dump trucks with a new one.

Again I would like to thank our seasonal workers who help us with the plowing of the roads and the mowing of our cemeteries and ball fields.

The Brentwood Highway Department is open Monday through Friday, 8:00am to 4:30pm. You may call the department at 775-7654 or if it is an emergency you may call Rockingham Dispatch at 679-2225.

Respectfully submitted;

Wayne M. Robinson
Road Agent

Residents may have noticed that the second of the large, old evergreen trees at the top of the exit road has been removed. This was done as a precautionary measure to forestall potential damage to nearby tombstones should this tree suffer damage similar to what was done to the other tree in the preceding year wherein several large branches fell in a wild storm.

A reminder to visitors to the Tonry Cemetery: the Rules and Regulations are posted in the kiosk at the entrance roadway. All activities including burials and monuments are subject to these policies adopted by the Trustees. This information is also available at the Town Office.

Again we are grateful to Road Agent Wayne Robinson and his crew in the Brentwood Highway Department and Norman Lemoine, Superintendent of Cemeteries, for the excellent attention to the grounds keeping tasks in those cemeteries under the control of the town and to Phyllis Thompson, Cemetery Trustees Clerk, for her keen attention to record keeping details.

Trustees:

Albert Edward Belanger

John Stevens

DOUGLAS FINAN

Douglas Finan

Recreation Department 2010

The Brentwood Recreation Department had another busy year in 2010.

We saw increases in several of our sports sign-ups as well as a continued expansion of our program offerings.

The Community Center building was very busy with an increase in both town organizations and individual rentals filling the calendar.

- Our spring events started with a beautiful day for our Easter Egg Hunt and Pancake Breakfast the first weekend in April. We had a great turnout of egg hunters who scooped up close to 1500 eggs.
- With the drier spring weather, we were able to get our Baseball and Softball teams on the fields earlier this year. Our Baseball teams participated for the second year in the Diamond League. Both the Farm and Rookie teams played on the new lower field as well as traveling for games in Kingston and East Kingston. Our Softball program saw a 10% player increase and our T-Ball program increased by over 20%. Concessions had another successful, profitable year as well. Thank you to all the people who patronized our stand. Proceeds will go to the upkeep and maintenance of our fields. A big thank you also to the many area businesses that sponsored our Baseball and Softball teams as well as those who paid for sponsor signs at our Jon Olson Field.
- May brought the first of two sessions we offered in 2010 of the Coyote Club Outdoor Wilderness Education program. Both the spring and fall sessions had a maximum participation of children in grades K-5.
- More town residents took advantage of the kayaks and canoes we have available to borrow. We were also very fortunate to have Eagle Scout, Connor Ball, completely refurbish our canoe trailer and make it "road worthy" again.
- Our new Zumba fitness classes started in May and have enjoyed a strong, energetic following.
- Many thanks to the Daddy/Daughter Dance committee for their efforts running another very successful event in June for fathers and daughters in town. They raised over \$1100 that helped pay for our playground expansion.
- This summer we had the first season for our Over 30 Coed Softball league. We had over 80 residents participate on 5 teams that played late June - August. Despite a few pulled muscles and twisted ankles, it was a great success.
- The Play Soccer organization came the last week in July for the first of two summer soccer camps we offered. Challenger Sports came in late August to run the second week. Both groups enjoyed enthusiastic coaches and instruction.
- We took trips to Foxwoods and Mohegan Sun Casinos, sold over 100 discounted tickets to Water Country Water Park, offered Archery, Tang Soo Doo and Baby Sitter Training classes.
- The Rockingham Cougar Pop Warner Football program made the BRC their home for the 2010 football season playing on the lower field August through October.
- Improvements at the Recreation Area included lights on the sign near Route 125, lights on the building as well as the completion finally of our irrigation system for the fields. The system included the installation of a 3000 gal. water tank donated by Skaff Cryogenics and a new pump house constructed by members of the Lamprey River Bow Hunters.
- In late fall we had the Toddler Phase of our Playground installed. Equipment was purchased with playground donations, proceeds from the Daddy Daughter Dance and a matching grant from GameTime Playgrounds.
- Our Recreation Basketball program again collaborated with Stratham, Newfields and East Kingston to use the Cooperative Middle School gym for "home" games for our Boys and Girls 3rd-6th grade teams. Our K-2nd grade teams continue to play at the Swasey gym.
- In December, our Men's Basketball league began a 10 week program, playing again at the PEA gym and we made our first attempt at an ice rink at the recreation area.

The Recreation Department would like to thank the Lamprey River Bowhunters and New England Blacksmiths for their community service in 2010. We would also like to thank the Highway Dept. for their work on the fields and facility, as well as the Police and Fire Departments, town office staff and Swasey School staff for their continued support of our programs.

Respectfully,
Margaret Dullea
Recreation Director

CONSERVATION COMMISSION

The Conservation Commission's purpose is to preserve the natural resources of our town for our long-term health and local recreation. Water quantity and quality in particular are essential for our well being and we depend on open space to limit pollution. Open space is a source of pleasure for most of us: for walking, riding, cross-country skiing, and even enjoying the presence of wildlife.

Four conservation easements on a total of 200 acres were negotiated in 2009 and were finalized in 2010. The purchase of the easements was fully funded by the federal government's Wetlands Reserve Program. More landowners in town are interested in this opportunity and applied in 2010; hopefully the program will continue to be funded. We continue to employ the services of David Viale of the Southeast Land Trust to help us to work with interested landowners. If you are interested in seeing your land protected through a conservation easement, please give us a call and we can explain the options.

The Conservation Commission members have continued to enjoy doing the monitoring of the 24 town-held easements ourselves. Our town is so pretty that it is a very enjoyable chore to save money this way. You may see us around, usually in the fall after the mosquitoes have given up for the season but before the snow. Thanks to the abutters and landowners, who are so nice when they see us skulking around their borders.

Our big success this year has been the acquisition of funds to improve the stormwater drainage on Haigh Road and Rowel Road West. This impacts the discharge into the Exeter River at the intersection with Rowell Road West, where there is a much-used access point for the river. Erosion and silting into the stream have been serious problems, and there is also difficulty maintaining Rowell Road West at that point where it is so close to the river. The Geomorphic Assessment Report done by the NH DES, completed in 2009 and presented formally in 2010 clearly identified this problem. Len Lord and the staff of the Rockingham County Conservation District worked with the Conservation Commission to write and submit four grants. We received full funding for all four grants for approximately \$140,000.

- a) New Hampshire Aquatic Resource Mitigation Grant - \$78,000
- b) DES 319a High Quality Water Grant - \$49,000
- c) Mooseplates Grant - \$12,000
- d) Great Bay Trout Unlimited - \$2,250

In addition to the stormwater management which will protect and enhance the

CONSERVATION COMMISSION

water quality of the Exeter River, this project will also ensure the conservation of 4000 feet of adjacent river frontage. Our own highway department will be providing some of the labor and equipment to this project (appropriately, since it impacts road maintenance). Work will be done in the 2011 calendar year. We trust that you will enjoy the improved access to the river, less inconvenience traveling along Haigh and Rowell roads in storm season, and the next cup of local water-based beverage that you drink in the town of Exeter.

The NH legislature has mandated the formation of a commission to study the improvement of the Great Bay watershed, and the response has been the organization of the Southeast Watershed Alliance (SWA). The biggest concern is the excessive nitrogen concentration in Great Bay. Excessive nitrogen kills off the eel grass, which provides necessary habitat for the young of our marine food fish--cod, flounder etc. This damages our fishing industry. The oyster industry, which people are trying to revive, also depends on clear water. Control of nitrogen discharge into the watershed can most easily be addressed, you would think, by limiting the discharge from the waste water treatment plants (WWTPs) serving our most densely populated areas. However, the sources of nitrogen waste have been examined in the Great Bay watershed (which includes all of Brentwood). Much of it comes from roads, lawn fertilizer, and septic systems not connected with WWTPs.

What the impact of this commission will be on the need for towns to control nitrogen efflux (and other pollutants, of course) remains to be seen. We have passed a Stormwater Management Ordinance (thank you, voters!), which puts us at the forefront of our neighboring towns in addressing the critical issue of water quality in our rivers and Great Bay. One of our members is regularly attending the SWA meetings.

The most fun part of having a Conservation Commission should be the outreach programs such as nature walks, the Teach-Your-Kids-to-Fish Day program and so forth that are minimal to no cost and very valuable. We partnered with the NH Audubon to sponsor a bird walk through the Wetlands mitigation area on Pine Road and hope to do more of the same in 2011. Please encourage us by suggesting projects, or offering leadership in this, and we will do the same. We are always looking for more volunteers so please let us know if you are interested in getting outdoors with us. Thank you.

**2010 Annual Report
Exeter River Local Advisory Committee**

The Exeter River Local Advisory Committee (ERLAC) celebrated its 14th year of stewardship of the river and its watershed in 2010. The year was marked by productive partnerships with several organizations, including the Rockingham Planning Commission, NH Department of Environmental Services, NH Coastal Program, Piscataqua Region Estuaries Partnership, Eastern Mountain Sports, and local Conservation Commissions. These partnerships provide ERLAC with an opportunity to work with communities in the watershed to advocate effectively for the protection of water quality, water quantity, wildlife habitat, and recreational opportunities.

ERLAC partnered with the Brentwood Conservation Commission to hold the 9th annual vernal pool workshop in May. Children and adults waded into woodland pools to identify salamanders, turtles and clusters of frog eggs. Development of forestland threatens vernal pools in every watershed community, and ERLAC continues to advocate for the protection of vernal pools and their forested uplands.

In June, ERLAC partnered with Eastern Mountain Sports on an event designed to get people out on the river in canoes and kayaks. Dozens of people, adults and children, paddled the lower Exeter River on new boats provided by EMS or on their own boats, leaving from Gilman Park in Exeter and guided by ERLAC representatives.

ERLAC continues to work closely with the NH Department of Environmental Services (DES) on projects of great importance. The first project was the geomorphic assessment of the Exeter River, a two year project completed this year. The purpose of the assessment was to identify erosion and other threats to water quality. ERLAC will continue to work with DES and watershed communities to implement restoration projects identified in the Plan. The second project was the nomination of the lower portion of the Exeter River and the tidal Squamscott River to the NH Rivers Management and Protection Program. ERLAC worked closely with DES staff to complete the nomination and the numerous public information meetings held in the watershed to explain the nomination. ERLAC is hopeful all of the river, fresh and tidal, will be enrolled in the RMPP in 2011.

ERLAC is comprised of dedicated volunteers that meet the fourth Tuesday of each month at 7:00 p.m. in the conference room at the Rockingham County Nursing Home in Brentwood. Representatives are needed from your community. Please call 778-0885 for more information, or visit www.exeterriver.org.

The foregoing is a complete and correct report of Brentwood's Trust Funds for the calendar year 2010.

Howard Cadwell, Trustee/Bookkeeper

Eugene Orcutt, Trustee

Roger Crosby, Trustee

Town of Brentwood Mosquito Control

The 2010 mosquito season was quiet and rather uneventful but I'm not complaining. It was nice to have a season where Eastern Equine Encephalitis (EEE) wasn't ruining the summer. Dry conditions helped to keep the mosquito population down. New Hampshire didn't escape the year without some arboviral activity. There was one EEE horse in Freedom, one West Nile Virus (WNV) mosquito sample in Manchester and a human case of WNV in Mason, NH. Over the border, Massachusetts was experiencing record levels of disease activity prompting the State to conduct aerial spraying in some counties.

Dragon has identified 102 larval mosquito habitats in the Town of Brentwood. Crews checked freshwater sites 354 times throughout the season. There were 91 sites treated to eliminate mosquito larvae. In addition, 339 catch basin treatments were made to combat disease carrying mosquitoes. Adult mosquitoes were monitored at four locations throughout town. The mosquitoes were collected in light traps, identified to species, and sent to the State Lab to be tested for diseases. None of the mosquitoes collected in town tested positive for disease. Spraying to control adult mosquitoes was not conducted last season since no EEE or WNV was found in Brentwood.

The proposed 2011 Mosquito Control plan for Brentwood includes trapping mosquitoes for disease testing, sampling wetlands for larval mosquito activity, larviciding where mosquito larvae are found, efficacy monitoring and emergency spraying when a public health threat exists. The control program begins in April when mosquito larvae are located in stagnant water such as swamps, marshes, ditches, and woodland pools. Trapping adult mosquitoes begins in July. The mosquito control program ends in late September or early October when temperatures drop and daylight diminishes.

Dragon will be introducing an organic larvicide to our arsenal of products for the municipal control program. Natular™ will be the first organic larvicide used to control mosquitoes for municipalities in NH. Natular™ is listed by the Organic Material Review Institute (OMRI) for use in and around organic agriculture.

Homeowners can reduce the number of mosquitoes in their yard by emptying any outdoor containers that hold standing water such as buckets, trash barrels, and boats. Tires collect enough water for mosquitoes to survive. It is also a good idea to change the water in bird baths every two or three days.

If you're new in town and do not want your property treated for mosquitoes, then a written request is needed. Please send a letter to Dragon Mosquito Control, P.O. Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, and a description of your property with boundaries. Otherwise, your property may be treated. Anyone who sent a written request in 2010 may call the office to reaffirm your request. Our phone number is 964-8400. You may call our office for assistance regarding mosquitoes, the insecticides we use, spray dates, or questions about EEE or WNV.

Respectfully submitted,
Sarah MacGregor

REPORT OF BRENTWOOD SCHOOL DISTRICT MEETING

MARCH 06, 2010

At a legal meeting of the inhabitants of the Town of Brentwood in the County of Rockingham, State of New Hampshire, qualified to vote in School affairs, held at Swasy Central School on Saturday March 06, 2010 at 9:00 AM the following business was conducted.

Meeting was called to order at 9:10AM by Moderator Douglas Cowie. Pledge of allegiance was led by Douglas Cowie. Doug introduced the School Board members and those sitting at the head table. Douglas uses his rules not Robert's Rule.

Douglas Cowie read the one main article on the warrant.

ARTICLE #1. A motion was made by Charles Gargaly and duly seconded to see if the District will vote to raise and appropriate the Budget Committee's recommended amount of \$5,192,185.00 for the support of schools, for the payment of salaries for the School District officials and agents, and for the payment of statutory obligations of the District. The School Board recommends \$5,192,185.00. This article does not include appropriations voted in other warrant articles. Recommended by the Brentwood Budget Committee by a vote of 5 to 2. Main motion passed by voice vote.

A motion was made by JoEllen Gargaly and duly seconded to restrict reconsideration of Article #1. Motion passed by voice vote.

ARTICLE #2. A motion was made by James Berlo and duly seconded to open the article for discussion regarding the proposal to adopt the provisions of RSA-40:13 (know as SB2) to allow official ballot voting on all issues before the Brentwood School District on the second Tuesday of March. Pros and cons were discussed and James Berlo moved the question. Motion passed by voice vote.

ARTICLE#3. Charles Gargaly thanked Elizabeth Faria for her four years on the School Board. A round of applause was given in her honor. The Supervisors of the checklist said 138 people were in attendance out of a possible 2607.

ARTICLE#4. A motion was made by Elyse Seely and duly seconded to adjourn at 10:10AM.

Respectfully Submitted

Brentwood School District Clerk

**SCHOOL WARRANT
BRENTWOOD SCHOOL DISTRICT
STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District of Brentwood, in the County of Rockingham and said State, qualified to vote on District affairs:

You are hereby notified to meet at the Swasey Central School in said District on SATURDAY, THE NINETEENTH DAY OF MARCH, 2011, at 9:00 AM, to act upon the following subjects:

1. To see if the District will vote to raise and appropriate the Budget Committee's recommended amount of \$5,058,448.00 for the support of schools, for the payment of salaries for the School District officials and agents, and for the payment for the statutory obligations of the District. The School Board recommends \$5,125,473.00. This article does not include appropriations voted in other warrant articles. (Majority vote required)
2. Shall the District approve the cost items included in the collective bargaining agreement reached between the Brentwood School Board and the Brentwood Teachers Association covering the three year period from September 1, 2011 to August 31, 2014 which calls for the following increases in salaries and benefits totaling:

Year	Estimated Increase
2011-12	\$20,855
2012-13	\$61,033
2013-14	\$59,181

and further raise and appropriate the sum of \$20,855 for the 2011-12 school year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year? Not recommended by the Brentwood Budget Committee.

3. Shall the District, if Article 2 is defeated, authorize the School Board to call one special meeting, at its option, to address Article 2 cost items only?
4. To see if the voters of the Brentwood School District will vote to discontinue the 1999 Capital Reserve Fund, as provided by RSA 35:16-a, for the purpose of "future building expansion". The current balance in this fund is \$261,396 plus accrued interest. If this Article does not pass, then Articles 5, 6, and 7 are null and void.
5. To see if the voters of the Brentwood School District will vote to increase the limit from \$50,000 to \$150,000 of the 2001 Maintenance Expendable Trust Fund, as provided by RSA 198:20-c, for the purpose of funding long-term and/or unexpected maintenance/repair projects of the school building and grounds. If Article 4 does not pass, then this Article is null and void.

6. To see if the voters of the Brentwood School District will vote to raise and appropriate \$100,000 to be added to the 2001 Maintenance Expendable Trust Fund, as provided by RSA 198:20-c. The source of said sum to come from the increase in fund balance created by the discontinuance of the 1999 Capital Reserve Fund. These funds will be available for transfer July 1, 2011. If either Article 4 or Article 5 does not pass, then this Article is null and void. Recommended by the Brentwood Budget Committee.
7. To see if the voters of the Brentwood School District will vote to establish a Capital Reserve Fund, as provided by RSA 35:1, for the purpose of designing and constructing additional building space resulting from increased enrollment, and to raise and appropriate \$50,000 to be added to said fund. Said sum to come from the increase in fund balance created by the discontinuance of the 1999 Capital Reserve Fund in Article 4. These funds will be available for transfer on July 1, 2011. If Article 4 does not pass, then this Article is null and void. Not recommended by the Brentwood Budget Committee.
8. To see if the Brentwood School District will vote to discontinue the Capital Reserve Fund established by the voters of the School District Meeting in March, 1999 for the purpose of school building expansion, and furthermore, to release the fund balance. Said fund balance, with accumulated interest to date of withdrawal, is to be transferred to the Town of Brentwood's General Fund. (Majority Vote Required) (By Petition)
9. To hear reports of agents, auditors, and committees or officers heretofore chosen and to pass any vote relating thereto.
10. To transact any other business that may come before this meeting.

Given under our hands this _____ day of February 2011.

The Brentwood School District Annual Report, March 2011

Swasey Central School seems to have settled into a stable enrollment of just over 400. At the end of school in June 2010, we had 402 students. Enrollment for the 2010-2011 school year began at 397 and has grown to 404. Enrollment for fall 2011 is projected at 397.

Swasey Central School is a busy place from early in the morning until late afternoon and often into the evening. Children come early or stay late to run cross-country in the fall or attend Jump Rope Club during the winter and spring. Some attend occasional enrichment opportunities offered by Swasey staff. They might learn Yoga, enhance math or science skills, or participate in a reading group or play. There are many events that draw children and their families back to school in the evenings including the September 'Back to School Night', parent conferences, Grandfriends' Hour, various grade level functions celebrating learning throughout the year, and the 5th Grade Celebration in June. We enjoy finding ways to involve children and their families beyond the school day and always welcome new ideas.

Staff and students continue to work together to maintain a supportive and safe school community where all people feel welcome. The Responsive Classroom® philosophy and strategies continue to be the basis of our approach, but we also bring in other ideas to keep things fresh. Using consistent and supportive language with the students and each other, as well as encouraging them to do the same, contributes greatly to the positive school atmosphere. This year, we continue to focus on supporting others within our school, our community, and throughout the world. To this end, each class adopts a school based project that is their focus at some point during the school year. This may be recycling, keeping the computer lab neat and clean, removing the scuff marks from the hallway floors, planting flowers around the school, or keeping the grounds trash free. Staff and students sponsored many community service projects including school-wide recycling of paper and plastic, the Brentwood Teachers' Association sponsored Red Cross Blood Drive, food drives to support The Community Food Pantry located at the Pilgrim Church, a pet food drive to support the SPCA, a Halloween collection to support UNICEF, supporting the Brentwood Fire Department's annual effort to provide Christmas gifts to families in need, and making Valentine's cards for the Pease Greeters to send to the troops overseas.

Communicating effectively with parents and the Brentwood community remains a primary goal at our school and the SAU. Newsletters go home or are posted on the school website regularly by classroom teachers and principals. The Swasey Central School website (<http://scs.sau16.org>) and the SAU 16 website (www.sau16.org) both contain a myriad of information about our school and events. There is also information posted on the School Marquee to remind the community about events and happenings. The Parent-Faculty Group (P.F.G.) meets the third Tuesday of each month at 6:30 p.m. and the Brentwood School Board meets monthly on the second Monday at 6:15 p.m. Both of these meetings are held in the Swasey Library and everyone is welcome.

Swasey staff is dedicated to using technology to enhance instruction and teach children so that they will be ready for the challenges of the 21st century. The school district and SAU 16 have made many programs available to parents and the community. Please go to the website and look under 'Resources'. Students receive weekly instruction in the computer lab that is integrated into daily classroom activities. Mobile labs can be taken to the classroom so that all students can actively participate in learning opportunities. An updated student responsible computer, network,

and internet use policy (EGA) was recently adopted by the School Board. This is important as it brought the guidelines into line with 21st Century learning. Teachers are continually pursuing knowledge in this area so that learning can be maximized for the children.

The teachers and professional staff are continually focused on ensuring that the curriculum is up-to-date and aligned across and between grade levels. Currently attention is being given to delineating the essential standards at each grade level that every child must accomplish to be successful. A school-wide curriculum map is being created as well so that the continuum of instruction will be clear to all.

Volunteers donate hundreds of hours to our school as recognized by the Blue Ribbon Awards sponsored by Partners in Education. The Brentwood Fire Department provides programming for our students in recognition of fire safety month in October and facilitates required fire drills to ensure that our children are safe and know what to do in an emergency. The Brentwood Police are quick to respond to every request and help us to keep our emergency plans updated. Both are welcome in our school at all times. Another huge thank you goes out to Road Agent Wayne Robinson and those who work at the Brentwood Highway Department for their diligence in clearing snow banks and parking lots around the school after every snow fall. This is no small task and we do not take their efforts for granted. We thank those who work for the Town for working with us to use the school for recreational events or coordinate services such as the spraying for mosquitoes that has become a part of all of our lives. There are many others who help us during the school year who we truly appreciate and thank as well.

Finally, the staff and administration wish to thank each of you for all that you do each day to help our children and encourage our efforts. It is the effort of every community member that contributes to the success of the boys and girls. We welcome your ideas and appreciate your comments whether in person, over the phone, or via email or letter.

2010-2011 REPORT OF THE SUPERINTENDENT OF SCHOOLS

Opportunities and challenges confront public education today. Considering the scope of history, these are not unique, but they do require creative solutions. For the first time in the history of our country, gasoline sold for an average of over \$3.00 per gallon at Christmastime; social security recipients did not receive a cost of living adjustment for the second consecutive year; the US economy exceeded a \$13 trillion debt; and our nation remains at war in Iraq and Afghanistan. It is no wonder that public service organizations, including New Hampshire's public schools, are forced to confront a difficult reality.

Even with these economic conditions, the expectation to provide an outstanding and comprehensive education for our students remains at the forefront of the six communities that comprise School Administrative Unit 16. Families stay here and young couples move here because of the excellent educational programs and services for which our seven independent school districts are known.

Our collective mission as responsible citizens is to continue to provide the best possible public education for the most affordable cost because our children are our future. They are the ones who will have to confront massive national debt and who continue to struggle for international peace.

SAU 16 STRATEGIC PLAN

One of the most significant accomplishments of this year is the unanimous adoption of an SAU Strategic Plan that will set the course for the delivery of programs and services for the next five years. From what began as an initiative in late 2008 concluded with 70 diverse individuals, representing all six towns in the SAU, recommending specific action plans to the SAU Joint Board in October 2010. The Strategic Plan Steering Committee included representation for all seven school districts and captured significant recommendations in the following areas: Communications; Community Involvement; Curriculum and Assessment; Design and Philosophy; Governance; Lifestyles; and Special Education. The implementation phase of the Strategic Plan has begun and individual School Boards have begun to prioritize their goals and future work based on this plan.

Curriculum, Communications, and Community Service

Three of the significant areas that have already begun to see added attention are curriculum, communications, and community service. The new Vision Statement is clear: "To provide a rigorous and comprehensive education that will prepare our students for diverse post-secondary educational opportunities, a competitive workplace, and active civic participation."

Even though some budget issues have led to larger class sizes, fewer administrators, and creative funding strategies, teachers and staff work hard to provide outstanding curriculum opportunities for students. This includes, but is not limited to, the increase of kindergarten time at Newfields Elementary and Main Street Schools; additional course offerings at Exeter High School (EHS), including greater involvement with Project Running Start at both EHS and the Seacoast School of Technology (SST) where high school students earn college credit; the expansion of direct math instruction at the Cooperative Middle School; and more in-depth science instruction at East Kingston Elementary School. The delivery of a solid curriculum that emphasizes high expectations for every student is the foundation of our collective educational mission that will "help students gain knowledge and skills that build intellect, character, and a lifelong thirst for learning."

Communications with various constituent groups remains crucial in today's information society. Websites for both the SAU and individual schools are updated regularly to provide valuable information to students, parents, and community members. Newspapers regularly carry a variety of stories from athletics to fine arts accomplishments and from budget to human interest stories. The local cable access channel broadcasts many local interest programs from School Board meetings to high school football and soccer games. Watch for the expansion of programming during the upcoming year when SAU 16 will host its own separate "Educational Channel" that will be available to Comcast viewers in all six towns within the SAU. This was made possible through the Town of Exeter's negotiations with Comcast this year.

While continuing many past efforts this year, every school within the SAU took an active role in providing extensive community service that impacted others in a positive way. This included numerous efforts to provide food and basic necessities to families and local food pantries. Kensington Elementary was very involved with its Jingle Bells Jaunt for the second consecutive year. Over 10,000 food items were donated in two years to help others. Rather than accepting gifts during the holiday season, the staffs at Stratham Memorial School and Newfields Elementary School asked parents to donate items to the NH Food Bank or Pease Greeters respectively. Also, for the second consecutive year, the Do Good Denim project collected over 2,500 pairs of slightly-used jeans that were distributed to students in the North Country where their communities were hardest hit by the closing of mills and the significant loss of jobs. Through the collective efforts of many of the school nurses, often unsung heroes within the SAU, many struggling families received holiday baskets. Limited space here does not allow for the extensive enumeration of all of the outstanding acts of service that our students and staff perform each year. Suffice it to say, however, that community service is very important and visible within our school communities.

PRINCIPAL OF THE YEAR--2011

Ms. Margaret Callahan, Principal of the Seacoast School of Technology (SST) since 2007, was selected as the Career and Technical Education Principal of the Year by the New Hampshire Association of School Principals. This impressive distinction highlights the outstanding work that Ms. Callahan has done, and continues to do, at SST and throughout the state. Her support of students and staff and her success with significant community involvement for the 13 programs offered at SST regularly reaps benefits for the school. It is important to note that SST serves students from six different area high schools and is considered to be the best high school career and technical education center in New Hampshire.

CHAMPIONS FOR CHILDREN

The SAU 16 Champions for Children award was established last year as an opportunity for each school district to recognize individuals who have distinguished themselves by demonstrating significant involvement in programs and/or services that directly benefit the students and families of SAU 16.

Since its inception 35 individuals have been recognized for their outstanding contributions to our districts. This year's award recipients include the following school board recognitions: Exeter Region Cooperative - Dr. Philip Hatcher, Rev. Michael Pike, Susan McFarland Moynahan, Martha LaPerle, Ed Pease, Kathy Bean, Langdon Plumer, Mike Wentworth, and the Robinson Trust Board of Trustees; East Kingston - Chris Benson; Exeter - Sue Bendroth and Deanna MacDonald; Kensington - Lili Spinosa; Newfields—Laura Gowing; Brentwood—Sheila Lane; Stratham - Susan Bessemer, Jordan Ambargis, Nathan Merrill, Bruce Scamman, Susan Adler, Jennifer Snow, and Patricia Dukeman. These individuals have significantly impacted their respective schools and communities. Congratulations to each of them!

SOLAR ARRAYS

Drive onto the grounds of Exeter High School today and see the large solar array that was installed this year. In conjunction with Revolution Energy, Chief Financial Officer (CFO) Nathan Lunney played a pivotal role in securing an investment of \$200,000 from Unitil, one of our public utilities, as well as significant savings through tax credits from the US Department of Energy to assist in the funding of this conservation effort. This initiative has both economic and educational benefits to the Exeter Region Cooperative School District.

The East Kingston Elementary School District is also in the process of installing its own 60 kW solar array on school grounds. This was funded by a competitive federal block grant that was initiated by School Board member, Bob Nigrello. These two examples display the commitment of the seven districts within the SAU to find creative ways to conserve natural resources while also assisting taxpayers with long-term costs of essential services.

BLUE RIBBON AWARDS

For 29 consecutive years, New Hampshire Partners in Education has recognized the volunteer efforts of parents and community members who are directly involved in local schools. In October 2010, every elementary school in SAU 16 and the Seacoast School of Technology distinguished themselves by achieving this prestigious award. This is an outstanding accomplishment and a clear acknowledgement of the positive relationships that exist between our schools and their local communities.

EHS ACCREDITATION RENEWAL PROCESS

Exeter High School completed the process of its ten-year accreditation review that is coordinated through the New England Association of Schools and Colleges (NEASC). After an extensive self-study done by the EHS staff and administration, the onsite review by the sixteen-member NEASC Visiting Team took place in November 2010. This effort involves significant individual and group work by the entire administration, faculty, and staff at EHS. All of this work is connected directly toward making our high school program and students better prepared to meet the challenging demands of education and living in the 21st Century.

SPECIAL EDUCATION MEDICAID UPDATE

The SAU office was notified in early September 2010 by the Department of Health and Human Services (DHHS) to prepare for an audit of the NH Medicaid to the Schools program in all school districts for medically related services billed in the 2008-2009 school year. In late October, a federal audit process was initiated by the Centers for Medicare and Medicaid Services (CMS) requesting records under the Payment Error Rate Measurement Program (PERM).

The SAU 16 school districts have recovered an estimated \$3.5M from Medicaid billing in the years since the previous audit in 2001. Audit activities require a detailed production of service delivery records and other documents across all operations in the SAU, including but not limited to: transportation; physical, occupational, and/or speech and language therapies; nursing and counseling services; and rehabilitative assistants. An early analysis of the findings evidenced a low error rate in transaction logs indicating minimal exposure for recovery of funds already received by the district. This recovery of funds is commonly called a "payback."

In response to the first round of the DHHS audit findings, our schools were able to produce documentation preserving \$132,000 of the initial \$140,000 challenge. Additional evidence and

justification have been provided to the DHHS auditor to retain the remaining \$8,000.00 balance. A final letter of findings is anticipated in late winter 2011. The federal audit challenge was also answered and given the verification documents the districts produced, it is likely that any revenue loss, if any, will be minimal.

This excellent outcome is evidence of a truly collaborative effort among the SAU offices, each school's staff members, and our Medicaid billing contractor, Multi-State Billing Company. On behalf of the exceptional learners in our schools, I want to thank the members of the SAU 16 communities for their assistance and support.

RX REBATE PROGRAM

Due to the significant efforts of Associate Superintendent Paul Flynn, the Rx Rebate Program offered by the federal government for school districts who have retirees who do not participate in Medicare Part D is continuing to pay dividends. Since enrolling in the rebate program in March 2009, SAU districts have been reimbursed \$109,000.

COMMON CORE STATE STANDARDS

In July 2010, the New Hampshire Board of Education adopted the Common Core State Standards (CCSS) in Math and English Language Arts. In tandem with this recent adoption was the approval by the SAU 16 Joint Board of our Strategic Plan which includes many curriculum action plans. These two decisions have focused the curriculum work within the districts. Math, English Language Arts, and Science curriculum areas are each represented by a SAU team of teachers and administrators giving each curriculum area grade level and district overview. The work of curriculum committees is to review and identify the essential skills in each content area by grade level. This work should be completed by June 2011 in all three content areas. Along with this review is the completion of a cross-walk between our current curricula with the newly adopted CCSS.

NO CHILD LEFT BEHIND

Both the Cooperative Middle School (CMS) and Exeter High School (EHS) have been designated as "Schools in Need of Improvement" (SINI) because of student results on the annual New England Common Assessment Program (NECAP) tests. CMS was designated a SINI in 2008. However, the 2009 results indicated that CMS met "Adequate Yearly Growth" (AYP) in all categories. CMS must make AYP in all categories for two years in a row to have the SINI designation removed by the New Hampshire Department of Education. EHS was designated a SINI due to the 2009 NECAP performance of its educational disabled and economically disadvantaged students in both math and reading.

Due to each school's status as a SINI, the Exeter Region Cooperative School District has been deemed a "District in Need of Improvement" (DINI). Both schools have developed a SINI plan and the District has developed a DINI plan to address areas in need of improvement. These plans are available for review on the SAU 16 website. Included within these plans was the creation of SINI and DINI teams that meet regularly to monitor progress.

STUDENT ASSESSMENT

During the fall of 2010, all students in grades 3-8 and 11 participated in the New England Common Assessment Program (NECAP) exams in reading and mathematics. Fifth, eighth and eleventh graders participated in a writing component as well. In May 2010, the NECAP Science Test was administered to all students in grades 4, 8 and 11. The results of those tests indicate that the performance of SAU 16 students continue to be strong relative to their statewide peers.

Annually in May, the CMS and EHS administer the Northwest Evaluation Association (NWEA) Measures of Academic Progress. This computer adaptive instrument provides one indicator of each student's growth over a set period of time in reading, language usage, and mathematics. The NWEA program also provides valuable information that assists in grouping students and illustrating specific instructional suggestions for each student.

All students are assessed in a variety of ways including teacher-developed tests, projects, displays and presentations. Elementary teachers use a variety of assessments such as the Dynamic Indicators of Basic Early Literacy Skills (DIBELS), California Achievement Tests, Terra Nova Tests, Gates MacGinitie Reading Tests, and other benchmark assessments to diagnose individual strengths and weaknesses and better inform their instructional practice. It is important to remember that any standardized test is one indicator and one type of assessment. In addition to using multiple measures, our teachers encourage and provide opportunities for students to demonstrate what they "know and are able to do."

CONTRACT NEGOTIATIONS

There are now eleven formal collective bargaining associations within SAU 16; five of them were open to negotiations with their respective school boards during the current school year. All five of them reached tentative agreements that will be presented to the voters in the respective districts for action in March 2011. Voter approval is necessary in order for the agreements to become effective. These involve the teachers associations in the Brentwood, Kensington, Newfields, Stratham, and the Exeter Region Cooperative districts. During the 2011-2012, five other contracts will be open for negotiations.

NEWFIELDS PRINCIPAL CHANGE

Mrs. Helen Rist became the Principal of Newfields Elementary School in July 2010. She replaced Mr. Dennis Dobe who accepted the position of Principal at Woodland Heights Elementary School in Laconia. Mr. Dobe faithfully served the Newfields community for seven and a half years. His hard work and solid professional efforts on behalf of the students and families in Newfields have been well received and sincerely appreciated.

Mrs. Rist is a resident of Dover and came to SAU 16 from the Newington Public School where she served as Teaching Principal from 2003-2010. From 1988-2003, she served as classroom teacher, resource room teacher, reading specialist, and assistant principal at Garrison Elementary School in Dover.

TUCK LEARNING

The diverse educational avenues provided through the SAU continue to manifest the collective commitment to meet the many individual needs of our secondary school students. Consider the on-going success of the project-based **Great Bay eLearning Charter School (GBeCS)** that currently serves 165 students in grades 8-12 with 60% of those students coming from one of our six communities.

The **Exeter Adult Education** program captures the interest of over 500 students who choose from among courses that enrich their lives to courses leading to high school diplomas or GED (General Educational Development). It is important to note that the Enrichment Program is now in its 44th year!

The **Exeter High School Alternative Education** program provides an educational opportunity that includes a combination of academic, behavioral, social, civic, and work based learning

experiences. The goal of their program is to empower students to succeed as knowledgeable graduates leading productive lives within the community.

The **Seacoast School of Technology (SST)** offers an outstanding array of career and technical education programs for students from six area high schools including Exeter. The outstanding success of these programs is measured in both the consistent and regular work opportunities provided to students and the significant community involvement by area businesses and leaders who provide support and serve on advisory boards that assist with funding and public relations for the school.

SEACOAST PROFESSIONAL DEVELOPMENT CENTER

The Seacoast Professional Development Center (SPDC) is enjoying a successful year and would like to thank its member SAUs and districts for the ongoing support of the center. Jennifer Middaugh, Coordinator, has recently presented a newly revised business plan for the center which will be reviewed by the board of directors at the winter meeting. Ms. Middaugh is a tremendous asset to the center and is to be commended for her ongoing efforts to provide quality professional development opportunities to area educators.

TECHNOLOGY

The SAU 16 Technology Committee is focusing its efforts on curriculum development and review of policies contained within the SAU 16 Technology Plan. Subcommittees have been formed and special thanks are extended to Richard Pratt and Rebekah Prince for chairing the subcommittees.

The IT Department would like to recognize Jim Kach for his service to SAU 16 and its member schools. Jim has been a contributing member of our technology team and has been a positive force in keeping our schools and classrooms technology ready. We wish Jim many well wishes for a very happy retirement and welcome his continued part-time service.

In summary, it is important to note that each school year brings its own set of challenges and opportunities. On behalf of all of the students, families, and staff served by SAU 16, please accept my gratitude for your support of our schools—even in these difficult economic times. It is a pleasure for me to be working with you in this most important undertaking because our students are our future leaders, workers, parents, and taxpayers.

Respectfully submitted,

MICHAEL A. MORGAN
Superintendent of Schools

2011 SCHOOL DISTRICT WARRANT

EXETER REGION COOPERATIVE SCHOOL DISTRICT

To the inhabitants of the Exeter Region Cooperative School District, County of Rockingham, State of New Hampshire qualified to vote upon District affairs:

You are hereby notified to meet as follows:

FIRST SESSION OF THE ANNUAL MEETING (Deliberative Session): In the Arthur L. Hanson III Center for the Performing Arts at Exeter High School, 1 Blue Hawk Drive in Exeter, New Hampshire on **Thursday, February 10, 2011, at 7:00PM** for explanation, discussion, debate, and possible amendment of the following warrant articles:

1. Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$48,922,530? Should this article be defeated, the default budget shall be \$48,922,530, which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board and Budget Advisory Committee both recommend \$48,922,530 as set forth on said budget.)

2. Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Education Association covering the three year period from September 1, 2011 to August 31, 2014 which calls for the following increases in salaries and benefits at the current staffing levels:

Year	Estimated Increase
2011-12	\$ 449,365
2012-13	\$ 499,641
2013-14	\$ 595,017

and further raise and appropriate the sum of \$449,365 for the 2011-12 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year? Pursuant to RSA 273-A:12, the terms of this collective bargaining agreement, if approved, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed. (The School Board recommends this appropriation. The Budget Advisory Committee does not recommend this appropriation.)

3. Shall the District raise and appropriate to the expendable trust fund known as the "Maintenance Fund" (established by the 2001 District meeting under RSA 198:20-c for the purpose of funding long term and/or unexpected maintenance/repair projects of school buildings and grounds) the sum of the amount of the June 30, 2011 undesignated fund balance (surplus) up to \$40,000? (The School Board and Budget Advisory Committee both recommend this appropriation.)

4. To hear reports of agents, auditors, and committees or officers heretofore chosen.

5. To transact any other business which may legally come before the meeting.

SECOND SESSION: At the polling places designated below on Tuesday, **March 8, 2011**, to choose the following School District Officers:

School District Board Member (East Kingston)	3-year Term Expiring 2014,
School District Board Member (Exeter)	3-year Term Expiring 2014,
School District Board Member (Stratham)	3-year Term Expiring 2014,
School District Board Member (Kensington)	2-year Term Expiring 2013,
School District Moderator	1-year Term Expiring 2012,
Budget Committee Member (Brentwood)	3-year Term Expiring 2014,
Budget Committee Member (Exeter)	3-year Term Expiring 2014,
Budget Committee Member (Kensington)	3-year Term Expiring 2014;

and vote on the articles listed as **1, 2, and 3**, as those articles may be amended at the First Session; by ballot, the polls to be open at the polling places at the hours designated below:

<u>VOTERS IN TOWN OF</u>	<u>POLLING PLACE</u>	<u>POLLING HOURS</u>
Brentwood	Community Center	8:00 AM to 7:00 PM
East Kingston	East Kingston Elementary School Multi-purpose Room	8:00 AM to 7:00 PM
Exeter	Talbot Gymnasium Tuck Learning Campus	7:00 AM to 8:00 PM
Kensington	Kensington Elementary School Gymnasium	8:00 AM to 7:30 PM
Newfields	Newfields Town Hall	8:00 AM to 7:00 PM
Stratham	Stratham Municipal Center	8:00 AM to 8:00 PM

Given under our hands at _____ on this _____ day of January, 2011.

**MINUTES OF THE EXETER REGION COOPERATIVE SCHOOL DISTRICT
FIRST SESSION OF THE 2010 ANNUAL MEETING
DELIBERATIVE SESSION – THURSDAY, FEBRUARY 4, 2010
EXETER HIGH SCHOOL - ARTHUR HANSON III PERFORMING ARTS CENTER**

ERCSD Board Members Present:

Kris Magnusson – Chair – Brentwood
Kate Segal – Exeter
Jennifer Maher – Stratham
Barbara RigordovaEva – Kensington

Townley Chisholm – Vice-Chair – Exeter
Patricia Lovejoy – Stratham
Dave Miller – East Kingston
Michael Grant – Newfields

ERCSD Board Members Absent:

Tomasen Carey – Exeter

Administration: Michael Morgan, Nathan Lunney

Chair of Budget Advisory: Robert Aldrich

Moderator: Charles Tucker, Esq.

ERCSD Clerk: Susan Bendroth

Moderator Tucker called the meeting to order at 7:02 PM followed by the Pledge of Allegiance and introduction of the board members, administration and other parties. He explained that the purpose of the meeting was to discuss, debate and possibly amend the following warrant articles, which would then be voted on Tuesday, March 9, 2010. As moderator he would read each article, someone from the board would speak to the article and then anyone interested in speaking to the article would have an opportunity to do so. They would need to come up to the microphone on the floor, identify themselves and town in which they reside and is providing an amendment would need to do so in writing. He would entertain a voice vote first; only upon question would he ask to have a card vote.

Moderator Tucker read Warrant Article #1:

1. Shall the district raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$48,529,350? Should this article be defeated, the default budget shall be \$48,991,020, which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board and Budget Advisory Committee both recommend \$48,529,350 as set forth on said budget.)

Nathan Lunney thanked the Budget Advisory Committee, the Board and the Administration for their work on coming up with this budget. He stated the proposed budget is less than the default budget and went on to highlight the changes.

Moderator Tucker noted with no questions, the article would be placed on the ballot as presented.

Moderator Tucker read Warrant Article #2

2. Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Area Administrators Association covering the two year period from July 1, 2010 to June 30, 2012 which calls for the following net increases in salaries and benefits at the current staffing levels:

Year	Estimated Increase
2010-2011	\$ 28,510
2011-2012	\$ 36,026

and further raise and appropriate the sum of \$28,510 for the 2010-11 fiscal year, such sum representing the additional costs attributable to the net increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels paid in the prior fiscal year? Pursuant to RSA 273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed. (The School Board recommends this appropriation.)

Patty Lovejoy stated the administrators formed a union and a contract agreement needed to be negotiated. She explained the provisions in the contract highlighting the changes in the health care benefits.

Liz Faria of Brentwood asked what happens if the voters vote down this article.

Patty Lovejoy responded by saying there would be no raises but the current health plan that is more expensive would stay in place.

Robert Aldrich proposed an amendment to the article as a result of the January 26, 2010 Budget Advisory meeting. He made a motion to add (The School Board and Budget Advisory Committee both recommend this appropriation.) Arthur Baillargeon, Exeter, seconded the amendment and the amendment was voted on. Moderator Tucker declared that the article would be placed on the ballot as amended.

Moderator Tucker read Warrant Article #3:

3. Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Education Association covering the three year period from September 1, 2010 to August 31, 2013 which calls for the following increases in salaries and benefits at the current staffing levels:

Year	Estimated Increases
2010-11	\$ 98,540
2011-12	\$ 894,984
2012-13	\$ 853,174

and further raise and appropriate the sum of \$98,540 for the 2010-11 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year? Pursuant to RSA273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed. (The School Board recommends this appropriation.)

Michael Grant explained that this was a lengthy process with several goals in mind of minimizing increases, seeking to reduce health insurance and making adjustments to the salary scale. He felt a good part of these goals were achieved with respect on both sides. He went on to explain the agreement.

Arthur Baillargeon, Exeter asked if there are any population increases in 2011-2012 or 2012-2013.

Michael Morgan responded by saying none were anticipated.

Malcolm Allenson, Brentwood asked if the vote was split or unanimous.

Michael Grant stated that the large majority was in favor.

Robert Aldrich proposed an amendment to the article as a result of the January 26, 2010 Budget Advisory meeting. He made a motion to add (The School Board and Budget Advisory Committee both recommend this appropriation.)

Susan Canada, Stratham, seconded the amendment and the amendment was voted on.

Moderator Tucker declared that the article would be placed on the ballot as amended.

Moderator Tucker read Warrant Article #4:

4. Shall the District raise and appropriate to the expendable trust fund known as the "Special Education Trust Fund" (established by the 2002 District meeting under RSA 198:20-c for the purpose of funding unanticipated special education expenses) the sum of the amount of the June 30, 2010 undesignated fund balance (surplus), up to \$100,000? (The School Board and Budget Advisory Committee both recommend this appropriation.)

Kate Segal Spoke to this article explaining that we are responsible for meeting the needs of all of our students.

Moderator Tucker noted with no questions, the article would be placed on the ballot as presented.

Moderator Tucker read Warrant Article #5:

5. Shall the District raise and appropriate to the expendable trust fund known as the "Maintenance Fund" (established by the 2001 District meeting under RSA 198:20-c for the purpose of funding long term and/or unexpected maintenance/repair projects of school buildings and grounds) the sum of the amount of the June 30, 2010 undesignated fund balance (surplus) after giving effect to any appropriation under Article 4, above, up to \$80,000? (The School Board and Budget Advisory Committee both recommend this appropriation.)

Tomasen Carey explained that this article covers any unforeseen problems.

Arthur Baillargeon, Exeter, asked how much was spent last year?

Nathan Lunney responded by saying that no money was put into this fund last year but \$40,000 was added the year before. The Tuck Campus was renovated for \$200,000 over 5 years so it was decided not to add to it last year.

Moderator Tucker noted the article would be placed on the ballot as presented.

Moderator Tucker read Warrant Article #6:

6. On the petition of Jeffrey P. Bryan and others:

To see if the Exeter Region Cooperative School District will vote to authorize the written statement of the recommendation or non-recommendation by the Budget Advisory Committee on any and all appropriations articles according to RSA 32:5v guidelines, to be printed on the school district warrant.

Elyse Seeley, Brentwood spoke to this article and offered an amendment to this article. The article would read the same with the addition: **in the manner that you see on this year's ballot.**

Helen Joyce, Stratham seconded the amendment and a vote was taken.

Moderator Tucker declared that the article would be placed on the ballot as amended.

Moderator Tucker read Warrant Article #7:

7. To see if the voters of the Exeter Region Cooperative School District direct the School Board to support any and all efforts of the New Hampshire School Boards Association to seek legislative repeal of RSA 273-A:12, Section VII., the provision in statute commonly referred to as the statutory "Evergreen Clause," to restore local control in the collective bargaining and school district budget processes. (The School Board recommends adoption of this article.)

Kris Magnusson explained that this allows the Board to negotiate the way they always have.

Moderator Tucker declared that the article would be placed on the ballot as amended.

8. To hear reports of agents, auditors, and committees or officers heretofore chosen. No reports.

9. To transact any other business which may legally come before the meeting.

Arthur Baillargeon, Exeter wanted to take this opportunity to thank the Board for their dedicated hours and the Superintendent for his leadership.

Helen Joyce, Stratham, as the chair person of the SAU Communication Committee, wanted everyone to know that guidance positions have been cut from CMS and the high school and because of the economic woes is not recommending that these positions be put back in but when considering the academic, social and psychological development of the students that these positions be top priority in the future to reinstate.

Kris Magnusson thanked Ms. Joyce for her comment and assured her that the Board will be watching, listening and asking about the impact of the reduced budget decisions.

Liz Faria, Brentwood commented that with an approximate total of 23,972 voters not many people came out tonight.

SECOND SESSION: At the polling places designated below on Tuesday, March 9, 2010, to choose the following School District Officers:

School District Board Member (Brentwood)	3-year Term Ending 2013
School District Board Member (Exeter)	3-year Term Ending 2013

Barbara RigordovaEva 99 (write-in)

School District Moderator, term ending at 2011 election:

Charles F. Tucker 3,676

Exeter Budget Committee Member, term ending at 2013 election

Robert J. Aldrich 3,265

Newfields Budget Committee Member, term ending at 2013 election

Simon Heslop 3,151

Stratham Budget Committee Member, term ending at 2013 election

Lucy Cushman 3,237

Article 1: Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$48,529,350? Should this article be defeated, the default budget shall be \$48,991,020, which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board and Budget Advisory Committee both recommend \$48,529,350 as set forth on said budget.)

YES 3,579 NO 1,050

Article #2: Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Area Administrators Association covering the

two year period from July 1, 2010 to June 30, 2012 which calls for the following net increases in salaries and benefits at the current staffing levels:

Year	Estimated Increase
2010-2011	\$ 28,510
2011-2012	\$ 36,026

and further raise and appropriate the sum of \$28,510 for the 2010-11 fiscal year, such sum representing the additional costs attributable to the net increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels paid in the prior fiscal year? Pursuant to RSA 273-A:12, the terms of this collective bargaining agreement, if approved, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed. (The School Board and the Budget Advisory Committee both recommend this appropriation.)

YES 2,493 NO 2,147

Article #3: Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Education Association covering the three year period from September 1, 2010 to August 31, 2013 which calls for the following increases in salaries and benefits at the current staffing levels:

Year	Estimated Increases
2010-2011	\$ 98,540
2011-2012	\$ 894,984
2012-2013	\$ 853,174

and further raise and appropriate the sum of \$98,540 for the 2010-11 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year? Pursuant to RSA 273-A:12, the terms of this collective bargaining agreement, if approved, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed. (The School Board and Budget Advisory Committee both recommend this appropriation.)

YES 2,091 NO 2,509

Article #4: Shall the District raise and appropriate to the expendable trust fund known as the "Special Education Trust Fund" (established by the 2002 District meeting under RSA 198:20-c for the purpose of funding unanticipated special education expenses) the sum of the amount of the June 30, 2010 undesignated fund balance (surplus), up to \$100,000? (The School Board and Budget Advisory Committee both recommend this appropriation.)

YES 2,774 NO 1,826

Article #5: Shall the District raise and appropriate to the expendable trust fund known as the "Maintenance Fund" (established by the 2001 District meeting under RSA 198:20-c for the purpose of funding long term and/or unexpected maintenance/repair projects of school buildings and grounds) the sum of the amount of the June 30, 2010 undesignated fund balance (surplus) after giving effect to any appropriation under Article 4, above, up to \$80,000? (The School Board and Budget Advisory Committee both recommend this appropriation.)

YES 2,830 NO 1,697

Article #6: On the petition of Jeffrey P. Bryan and others:

To see if the Exeter Region Cooperative School District will vote to authorize the written statement of the recommendation or non-recommendation by the Budget Advisory Committee on any and all appropriations articles according to RSA 32:5v guidelines, to be printed on the school district warrant in the manner that you see on this year's ballot.

YES 2,910 NO 1,289

Article #7: To see if the voters of the Exeter Region Cooperative School District direct the School Board to support any and all efforts of the New Hampshire School Boards Association to seek legislative repeal of RSA 273-A:12, Section VII., the provision in statute commonly referred to as the statutory "Evergreen Clause," to restore local control in the collective bargaining and school district budget processes. (The School Board recommends adoption of this article.)

YES 3,225 NO 1,146

Respectfully Submitted,

Susan EH Bendroth,
Exeter Region Cooperative School District Clerk
